## Overview

Hot Melt Glue is furniture hardware used in cabinet and furniture manufacturing, selected by load, material, finish, and fit. This page summarizes how to specify it for volume furniture and cabinet manufacturing, including the dimensions and options that matter most to buyers.

## Industry Data

Use these product signals to compare fit, specification risk, and sourcing options before requesting samples or bulk pricing.

- **Product Form:** Hot-melt stick Confirm the exact value on the order datasheet before production.
- **Size:** 100 pcs pack Confirm the exact value on the order datasheet before production.
- **Working Time:** Fast set Confirm the exact value on the order datasheet before production.
- **Compatible Materials:** MDF / particle board Confirm the exact value on the order datasheet before production.
- **Installation Use:** Surface protection Confirm the exact value on the order datasheet before production.
- **Material options:** Stainless Steel, Carbon Steel, Zinc Alloy, Aluminum and Brass Choose material by strength, corrosion exposure, and target price.
- **Finish options:** Copper, Bronze, Antique Brass, Flat Black and Powder Coated Confirm finish samples when color matching matters.
- **Application fit:** Plywood Cabinets, Solid Wood Furniture, Glass Display Cabinets and Aluminum Frame Cabinet Doors Match the product to the furniture use case, not only to the part name.

Hot Melt Glue

## Key Specifications

|                      |                      |
|----------------------|----------------------|
| Product Form         | Hot-melt stick       |
| Size                 | 100 pcs pack         |
| Working Time         | Fast set             |
| Compatible Materials | MDF / particle board |
| Installation Use     | Surface protection   |
| Storage / Packaging  | Moisture-sealed pack |

Specifications are configurable for OEM/ODM orders. Exact values are confirmed on the datasheet for your order.

## How to Choose

- Load and usage requirement
- Material for the environment and price point
- Finish for appearance and corrosion resistance
- Mounting and dimensional fit

## Material Options

Choose the material for the load, corrosion exposure, and target price of the program.

- [Stainless Steel Hot Melt Glue](#)
- [Carbon Steel Hot Melt Glue](#)
- [Zinc Alloy Hot Melt Glue](#)
- [Aluminum Hot Melt Glue](#)
- [Brass Hot Melt Glue](#)
- [Copper Hot Melt Glue](#)

## Finish Options

Finish affects appearance and corrosion performance; match it to the furniture range and market.

- [Copper Hot Melt Glue](#)
- [Bronze Hot Melt Glue](#)
- [Antique Brass Hot Melt Glue](#)

- [Flat Black Hot Melt Glue](#)
- [Powder Coated Hot Melt Glue](#)
- [Gold Hot Melt Glue](#)
- [Satin Brass Hot Melt Glue](#)
- [Black Nickel Hot Melt Glue](#)

## Application Fit

### [Plywood Cabinets](#)

For this application, hot melt glue is specified for the typical load, environment, and usage of this application.

### [Solid Wood Furniture](#)

For this application, hot melt glue is specified for the typical load, environment, and usage of this application.

### [Glass Display Cabinets](#)

For this application, hot melt glue is specified for the typical load, environment, and usage of this application.

### [Aluminum Frame Cabinet Doors](#)

For this application, hot melt glue is specified for the typical load, environment, and usage of this application.

### [Handleless Cabinets](#)

For this application, hot melt glue is specified for the typical load, environment, and usage of this application.

### [Soft Close Cabinets](#)

For this application, hot melt glue is specified for the typical load, environment, and usage of this application.

## Buying Notes for OEM Orders

For OEM production, lock the configuration, finish, and packaging, then confirm volume pricing.

## Request Bulk Pricing

Send your specification, target market, and order volume. Our engineers reply with pricing, samples, and datasheets — usually within one business day.

## Request a Quote

Tell us your project requirement. Our engineers reply within one business day with bulk pricing, datasheets, and installation drawings.
