Overview

Plastic Plug is furniture hardware used in cabinet and furniture manufacturing, selected by load, material, finish, and fit. The notes below cover construction, selection factors, sizes, materials, finishes, application fit, and installation for OEM production.

Industry Data

Use these product signals to compare fit, specification risk, and sourcing options before requesting samples or bulk pricing.

- **Product Form:** Tube Confirm the exact value on the order datasheet before production.
- **Size:** 50 g Confirm the exact value on the order datasheet before production.
- **Working Time:** 5-10 min open time Confirm the exact value on the order datasheet before production.
- **Compatible Materials:** MDF / particle board Confirm the exact value on the order datasheet before production.
- **Installation Use:** Hinge boring Confirm the exact value on the order datasheet before production.
- **Material options:** Stainless Steel, Carbon Steel, Zinc Alloy, Aluminum and Brass Choose material by strength, corrosion exposure, and target price.
- **Finish options:** Zinc Plated, Black Nickel, Oil Rubbed Bronze, Rose Gold and Brushed Stainless Steel Confirm finish samples when color matching matters.
- **Application fit:** RV and Camper Furniture, Truck and Tool Storage, Face Frame Cabinets and Frameless Cabinets Match the product to the furniture use case, not only to the part name.

Plastic Plug

Key Specifications

Product Form	Tube
Size	50 g
Working Time	5-10 min open time
Compatible Materials	MDF / particle board
Installation Use	Hinge boring
Storage / Packaging	OEM kit pack

Specifications are configurable for OEM/ODM orders. Exact values are confirmed on the datasheet for your order.

How to Choose

- Load and usage requirement
- Material for the environment and price point
- Finish for appearance and corrosion resistance
- Mounting and dimensional fit

Material Options

Choose the material for the load, corrosion exposure, and target price of the program.

- [Stainless Steel Plastic Plug](#)
- [Carbon Steel Plastic Plug](#)
- [Zinc Alloy Plastic Plug](#)
- [Aluminum Plastic Plug](#)
- [Brass Plastic Plug](#)
- [Copper Plastic Plug](#)

Finish Options

Finish affects appearance and corrosion performance; match it to the furniture range and market.

- [Zinc Plated Plastic Plug](#)
- [Black Nickel Plastic Plug](#)
- [Oil Rubbed Bronze Plastic Plug](#)

- [Rose Gold Plastic Plug](#)
- [Brushed Stainless Steel Plastic Plug](#)
- [White Plastic Plug](#)
- [Satin Gold Plastic Plug](#)
- [Polished Brass Plastic Plug](#)

Application Fit

[RV and Camper Furniture](#)

For this application, plastic plug is specified for the typical load, environment, and usage of this application.

[Truck and Tool Storage](#)

For this application, plastic plug is specified for the typical load, environment, and usage of this application.

[Face Frame Cabinets](#)

For this application, plastic plug is specified for the typical load, environment, and usage of this application.

[Frameless Cabinets](#)

For this application, plastic plug is specified for the typical load, environment, and usage of this application.

[Kitchen Cabinets](#)

For this application, plastic plug is specified for daily use, soft-close motion, moisture resistance, and fast, repeatable installation on the line.

[Bathroom Vanities](#)

For this application, plastic plug is specified for humidity and corrosion resistance, compact drawers, and easy maintenance.

Buying Notes for OEM Orders

For OEM production, lock the configuration, finish, and packaging, then confirm volume pricing.

Request Bulk Pricing

Send your specification, target market, and order volume. Our engineers reply with pricing, samples, and datasheets — usually within one business day.

Request a Quote

Tell us your project requirement. Our engineers reply within one business day with bulk pricing, datasheets, and installation drawings.
