Overview

Screw Cap is furniture hardware used in cabinet and furniture manufacturing, selected by load, material, finish, and fit. This page summarizes how to specify it for volume furniture and cabinet manufacturing, including the dimensions and options that matter most to buyers.

Industry Data

Use these product signals to compare fit, specification risk, and sourcing options before requesting samples or bulk pricing.

- **Thread / Diameter:** M6 Confirm the exact value on the order datasheet before production.
- **Length:** 50 mm Confirm the exact value on the order datasheet before production.
- **Head / Drive:** Pozi pan head Confirm the exact value on the order datasheet before production.
- **Pilot Hole:** 5 mm system hole Confirm the exact value on the order datasheet before production.
- **Recommended Panel:** MDF and particle board Confirm the exact value on the order datasheet before production.
- **Material options:** Stainless Steel, Carbon Steel, Zinc Alloy, Aluminum and Brass Choose material by strength, corrosion exposure, and target price.
- **Finish options:** Chrome, Rose Gold, Flat Black, Pewter and Brushed Brass Confirm finish samples when color matching matters.
- **Application fit:** Chest of Drawers, RV and Camper Furniture, Truck and Tool Storage and Face Frame Cabinets Match the product to the furniture use case, not only to the part name.

Screw Cap

Key Specifications

Thread / Diameter	M6
Length	50 mm
Head / Drive	Pozi pan head
Pilot Hole	5 mm system hole
Recommended Panel	MDF and particle board
Finish / Coating	Yellow zinc
Packaging	Bulk carton

Specifications are configurable for OEM/ODM orders. Exact values are confirmed on the datasheet for your order.

How to Choose

- Load and usage requirement
- Material for the environment and price point
- Finish for appearance and corrosion resistance
- Mounting and dimensional fit

Material Options

Choose the material for the load, corrosion exposure, and target price of the program.

- [Stainless Steel Screw Cap](#)
- [Carbon Steel Screw Cap](#)
- [Zinc Alloy Screw Cap](#)
- [Aluminum Screw Cap](#)
- [Brass Screw Cap](#)
- [Copper Screw Cap](#)

Finish Options

Finish affects appearance and corrosion performance; match it to the furniture range and market.

- [Chrome Screw Cap](#)

- [Rose Gold Screw Cap](#)
- [Flat Black Screw Cap](#)
- [Pewter Screw Cap](#)
- [Brushed Brass Screw Cap](#)
- [Brushed Stainless Steel Screw Cap](#)
- [Champagne Bronze Screw Cap](#)
- [Zinc Plated Screw Cap](#)

Application Fit

[Chest of Drawers](#)

For this application, screw cap is specified for the typical load, environment, and usage of this application.

[RV and Camper Furniture](#)

For this application, screw cap is specified for the typical load, environment, and usage of this application.

[Truck and Tool Storage](#)

For this application, screw cap is specified for the typical load, environment, and usage of this application.

[Face Frame Cabinets](#)

For this application, screw cap is specified for the typical load, environment, and usage of this application.

[Frameless Cabinets](#)

For this application, screw cap is specified for the typical load, environment, and usage of this application.

[Kitchen Cabinets](#)

For this application, screw cap is specified for daily use, soft-close motion, moisture resistance, and fast, repeatable installation on the line.

Recommended for These Applications
