Overview

Melamine Edge Banding finishes and protects panel edges with a color-matched profile for a clean, durable furniture edge. The notes below cover construction, selection factors, sizes, materials, finishes, application fit, and installation for OEM production.

Industry Data

Use these product signals to compare fit, specification risk, and sourcing options before requesting samples or bulk pricing.

- **Panel / Band Width:** 18 mm Confirm the exact value on the order datasheet before production.
- **Thickness:** 1.5 mm Confirm the exact value on the order datasheet before production.
- **Length / Roll:** 100 m roll Confirm the exact value on the order datasheet before production.
- **Material:** PVC Confirm the exact value on the order datasheet before production.
- **Fixing Method:** Clip-on profile Confirm the exact value on the order datasheet before production.
- **Material options:** Stainless Steel, Carbon Steel, Zinc Alloy, Aluminum and Brass Choose material by strength, corrosion exposure, and target price.
- **Finish options:** Polished Chrome, Brushed Gold, White, Zinc Plated and Powder Coated Confirm finish samples when color matching matters.
- **Application fit:** Flat Pack Furniture, RTA Furniture, Custom Cabinets and Woodworking Projects Match the product to the furniture use case, not only to the part name.

Melamine Edge Banding

Key Specifications

Panel / Band Width	18 mm
Thickness	1.5 mm
Length / Roll	100 m roll
Material	PVC
Fixing Method	Clip-on profile
Finish Match	Woodgrain

Specifications are configurable for OEM/ODM orders. Exact values are confirmed on the datasheet for your order.

How to Choose

- Panel thickness and edge profile
- Material match to the panel
- Adhesive or pre-glued type
- Color and finish match

Material Options

PVC, ABS, and melamine bandings to match the panel surface.

- [Stainless Steel Melamine Edge Banding](#)
- [Carbon Steel Melamine Edge Banding](#)
- [Zinc Alloy Melamine Edge Banding](#)
- [Aluminum Melamine Edge Banding](#)
- [Brass Melamine Edge Banding](#)
- [Copper Melamine Edge Banding](#)

Finish Options

Color-matched to the panel decor; wide range of woodgrains and solids.

- [Polished Chrome Melamine Edge Banding](#)
- [Brushed Gold Melamine Edge Banding](#)
- [White Melamine Edge Banding](#)

- [Zinc Plated Melamine Edge Banding](#)
- [Powder Coated Melamine Edge Banding](#)
- [Antique Brass Melamine Edge Banding](#)
- [Gray Melamine Edge Banding](#)
- [Rose Gold Melamine Edge Banding](#)

Application Fit

Flat Pack Furniture

For this application, melamine edge banding is specified for knock-down assembly, repeatable installation, and packaging efficiency.

RTA Furniture

For this application, melamine edge banding is specified for tool-light assembly and consistent drilling patterns.

Custom Cabinets

For this application, melamine edge banding is specified for the typical load, environment, and usage of this application.

Woodworking Projects

For this application, melamine edge banding is specified for the typical load, environment, and usage of this application.

MDF Cabinets

For this application, melamine edge banding is specified for the typical load, environment, and usage of this application.

Plywood Cabinets

For this application, melamine edge banding is specified for the typical load, environment, and usage of this application.
