## Overview

U profile finishes and protects panel edges with a color-matched profile for a clean, durable furniture edge. The notes below cover construction, selection factors, sizes, materials, finishes, application fit, and installation for OEM production.

## Industry Data

Use these product signals to compare fit, specification risk, and sourcing options before requesting samples or bulk pricing.

- **Panel / Band Width:** 25 mm Confirm the exact value on the order datasheet before production.
- **Thickness:** 0.4 mm Confirm the exact value on the order datasheet before production.
- **Length / Roll:** 3.0 m profile Confirm the exact value on the order datasheet before production.
- **Material:** Wood veneer Confirm the exact value on the order datasheet before production.
- **Fixing Method:** Hot-melt glue Confirm the exact value on the order datasheet before production.
- **Material options:** Stainless Steel, Carbon Steel, Zinc Alloy, Aluminum and Brass Choose material by strength, corrosion exposure, and target price.
- **Finish options:** Rose Gold, White, Brushed Brass, Brushed Gold and Matte Black Confirm finish samples when color matching matters.
- **Application fit:** Hotel Furniture, Apartment Furniture, School Furniture and Hospital Furniture Match the product to the furniture use case, not only to the part name.

## Key Specifications

|                    |               |
|--------------------|---------------|
| Panel / Band Width | 25 mm         |
| Thickness          | 0.4 mm        |
| Length / Roll      | 3.0 m profile |
| Material           | Wood veneer   |
| Fixing Method      | Hot-melt glue |
| Finish Match       | Woodgrain     |

Specifications are configurable for OEM/ODM orders. Exact values are confirmed on the datasheet for your order.

## How to Choose

- Panel thickness and edge profile
- Material match to the panel
- Adhesive or pre-glued type
- Color and finish match

## Material Options

PVC, ABS, and melamine bandings to match the panel surface.

- [Stainless Steel U profile](#)
- [Carbon Steel U profile](#)
- [Zinc Alloy U profile](#)
- [Aluminum U profile](#)
- [Brass U profile](#)
- [Copper U profile](#)

## Finish Options

Color-matched to the panel decor; wide range of woodgrains and solids.

- [Rose Gold U profile](#)
- [White U profile](#)
- [Brushed Brass U profile](#)

- [Brushed Gold U profile](#)
- [Matte Black U profile](#)
- [Copper U profile](#)
- [Bronze U profile](#)

## Application Fit

### [Hotel Furniture](#)

For this application, u profile is specified for the typical load, environment, and usage of this application.

### [Apartment Furniture](#)

For this application, u profile is specified for the typical load, environment, and usage of this application.

### [School Furniture](#)

For this application, u profile is specified for the typical load, environment, and usage of this application.

### [Hospital Furniture](#)

For this application, u profile is specified for the typical load, environment, and usage of this application.

### [Laboratory Furniture](#)

For this application, u profile is specified for the typical load, environment, and usage of this application.

### [Retail Display Fixtures](#)

For this application, u profile is specified for the typical load, environment, and usage of this application.

## Recommended for These Applications
