Overview

Veneer Edge Banding finishes and protects panel edges with a color-matched profile for a clean, durable furniture edge. The notes below cover construction, selection factors, sizes, materials, finishes, application fit, and installation for OEM production.

Industry Data

Use these product signals to compare fit, specification risk, and sourcing options before requesting samples or bulk pricing.

- **Panel / Band Width:** 32 mm Confirm the exact value on the order datasheet before production.
- **Thickness:** 2.0 mm Confirm the exact value on the order datasheet before production.
- **Length / Roll:** 3.0 m profile Confirm the exact value on the order datasheet before production.
- **Material:** Wood veneer Confirm the exact value on the order datasheet before production.
- **Fixing Method:** Hot-melt glue Confirm the exact value on the order datasheet before production.
- **Material options:** Stainless Steel, Carbon Steel, Zinc Alloy, Aluminum and Brass Choose material by strength, corrosion exposure, and target price.
- **Finish options:** Oil Rubbed Bronze, Black Nickel, Gold, Flat Black and Rose Gold Confirm finish samples when color matching matters.
- **Application fit:** Chest of Drawers, RV and Camper Furniture, Truck and Tool Storage and Face Frame Cabinets Match the product to the furniture use case, not only to the part name.

Veneer Edge Banding

Key Specifications

Panel / Band Width	32 mm
Thickness	2.0 mm
Length / Roll	3.0 m profile
Material	Wood veneer
Fixing Method	Hot-melt glue
Finish Match	Brushed aluminum

Specifications are configurable for OEM/ODM orders. Exact values are confirmed on the datasheet for your order.

How to Choose

- Panel thickness and edge profile
- Material match to the panel
- Adhesive or pre-glued type
- Color and finish match

Material Options

PVC, ABS, and melamine bandings to match the panel surface.

- [Stainless Steel Veneer Edge Banding](#)
- [Carbon Steel Veneer Edge Banding](#)
- [Zinc Alloy Veneer Edge Banding](#)
- [Aluminum Veneer Edge Banding](#)
- [Brass Veneer Edge Banding](#)
- [Copper Veneer Edge Banding](#)

Finish Options

Color-matched to the panel decor; wide range of woodgrains and solids.

- [Oil Rubbed Bronze Veneer Edge Banding](#)
- [Black Nickel Veneer Edge Banding](#)
- [Gold Veneer Edge Banding](#)

- [Flat Black Veneer Edge Banding](#)
- [Rose Gold Veneer Edge Banding](#)
- [Brushed Nickel Veneer Edge Banding](#)
- [Chrome Veneer Edge Banding](#)
- [Zinc Plated Veneer Edge Banding](#)

Application Fit

[Chest of Drawers](#)

For this application, veneer edge banding is specified for the typical load, environment, and usage of this application.

[RV and Camper Furniture](#)

For this application, veneer edge banding is specified for the typical load, environment, and usage of this application.

[Truck and Tool Storage](#)

For this application, veneer edge banding is specified for the typical load, environment, and usage of this application.

[Face Frame Cabinets](#)

For this application, veneer edge banding is specified for the typical load, environment, and usage of this application.

[Frameless Cabinets](#)

For this application, veneer edge banding is specified for the typical load, environment, and usage of this application.

[Kitchen Cabinets](#)

For this application, veneer edge banding is specified for daily use, soft-close motion, moisture resistance, and fast, repeatable installation on the line.
