Overview

Wardrobe Light adds integrated lighting to cabinets, shelves, and displays with compatible drivers and controls. This page summarizes how to specify it for volume furniture and cabinet manufacturing, including the dimensions and options that matter most to buyers.

Industry Data

Use these product signals to compare fit, specification risk, and sourcing options before requesting samples or bulk pricing.

- **Voltage:** 12 VDC Confirm the exact value on the order datasheet before production.
- **Power / Rating:** USB-C PD optional Confirm the exact value on the order datasheet before production.
- **Profile / Cutout:** 60 mm round cutout Confirm the exact value on the order datasheet before production.
- **Control Type:** Touch switch Confirm the exact value on the order datasheet before production.
- **Color Temperature:** 2700K Confirm the exact value on the order datasheet before production.
- **Material options:** Stainless Steel, Carbon Steel, Zinc Alloy, Aluminum and Brass Choose material by strength, corrosion exposure, and target price.
- **Finish options:** Brushed Brass, Galvanized, Zinc Plated, Gray and Anodized Aluminum Confirm finish samples when color matching matters.
- **Application fit:** Handleless Cabinets, Soft Close Cabinets, Push To Open Cabinets and Heavy Duty Drawers Match the product to the furniture use case, not only to the part name.

Wardrobe Light

Key Specifications

Voltage	12 VDC
Power / Rating	USB-C PD optional
Profile / Cutout	60 mm round cutout
Control Type	Touch switch
Color Temperature	2700K
Diffuser / Finish	Black powder coat

Specifications are configurable for OEM/ODM orders. Exact values are confirmed on the datasheet for your order.

How to Choose

- Voltage and driver compatibility
- Mounting type for cabinets and shelves
- Sensor or switch control
- Color temperature

Material Options

Aluminum profiles for heat dissipation; plastic diffusers.

- [Stainless Steel Wardrobe Light](#)
- [Carbon Steel Wardrobe Light](#)
- [Zinc Alloy Wardrobe Light](#)
- [Aluminum Wardrobe Light](#)
- [Brass Wardrobe Light](#)
- [Copper Wardrobe Light](#)

Finish Options

Silver and black profiles to match the cabinet.

- [Brushed Brass Wardrobe Light](#)
- [Galvanized Wardrobe Light](#)
- [Zinc Plated Wardrobe Light](#)

- [Gray Wardrobe Light](#)
- [Anodized Aluminum Wardrobe Light](#)
- [Polished Chrome Wardrobe Light](#)
- [Brushed Gold Wardrobe Light](#)
- [Brushed Nickel Wardrobe Light](#)

Application Fit

[Handleless Cabinets](#)

For this application, wardrobe light is specified for the typical load, environment, and usage of this application.

[Soft Close Cabinets](#)

For this application, wardrobe light is specified for the typical load, environment, and usage of this application.

[Push To Open Cabinets](#)

For this application, wardrobe light is specified for the typical load, environment, and usage of this application.

[Heavy Duty Drawers](#)

For this application, wardrobe light is specified for the typical load, environment, and usage of this application.

[File Cabinets](#)

For this application, wardrobe light is specified for full-extension access and load-rated, lockable operation.

[Tool Cabinets](#)

For this application, wardrobe light is specified for heavy loads, ball-bearing movement, and locking under vibration.
