Overview

Showcase Lock is a furniture lock that secures cabinet doors, drawers, or sliding panels, available keyed-alike or keyed-different for fleet furniture. This page summarizes how to specify it for volume furniture and cabinet manufacturing, including the dimensions and options that matter most to buyers.

Industry Data

Use these product signals to compare fit, specification risk, and sourcing options before requesting samples or bulk pricing.

- **Lock Type:** Electronic cabinet lock Confirm the exact value on the order datasheet before production.
- **Cylinder Length:** 25 mm Confirm the exact value on the order datasheet before production.
- **Panel Thickness:** 16-22 mm Confirm the exact value on the order datasheet before production.
- **Cam Throw / Reach:** 90 deg cam rotation Confirm the exact value on the order datasheet before production.
- **Keying Option:** Keyed different Confirm the exact value on the order datasheet before production.
- **Material options:** Stainless Steel, Carbon Steel, Zinc Alloy, Aluminum and Brass Choose material by strength, corrosion exposure, and target price.
- **Finish options:** Polished Stainless Steel, Matte Black, Rose Gold, Satin Nickel and Antique Brass Confirm finish samples when color matching matters.
- **Application fit:** Custom Cabinets, Woodworking Projects, MDF Cabinets and Plywood Cabinets Match the product to the furniture use case, not only to the part name.

Showcase Lock

Key Specifications

Lock Type	Electronic cabinet lock
Cylinder Length	25 mm
Panel Thickness	16-22 mm
Cam Throw / Reach	90 deg cam rotation
Keying Option	Keyed different
Finish	Chrome
Supplied With	Battery box and override key

Specifications are configurable for OEM/ODM orders. Exact values are confirmed on the datasheet for your order.

How to Choose

- Lock type: cam lock, drawer lock, sliding-door lock, or central locking
- Cabinet material and panel thickness
- Keyed-alike vs keyed-different for fleets
- Cylinder length and cam reach
- Security level and frequency of use

Material Options

Zinc die-cast bodies with brass cylinders are standard; choose higher-security cylinders for offices and lockers.
