Application Fit

Base Cabinets

For this application, cable clamp is specified for the typical load, environment, and usage of this application.

Tall Cabinets

For this application, cable clamp is specified for the typical load, environment, and usage of this application.

Shoe Cabinets

For this application, cable clamp is specified for the typical load, environment, and usage of this application.

TV Cabinets

For this application, cable clamp is specified for the typical load, environment, and usage of this application.

Bookcases

For this application, cable clamp is specified for the typical load, environment, and usage of this application.

Wine Cabinets

For this application, cable clamp is specified for the typical load, environment, and usage of this application.
